DIVISION MEMORANDUM

No. 169, s. 2021

**Virtual Workshop on the Integration of Maintenance and Sustainability Plan
into School Improvement Plan**

To: Division SIP Coordinator
PSDSs & PICs
Public Elementary & Secondary School Heads
Others Concerned

1. In partnership with the **Philippine Business for Social Progress (PBSP)** which implemented the **Classroom Construction Support Philippines Project** in some selected schools of this division, this Office hereby informs the field on the conduct of **Workshop on the Integration of Maintenance and Sustainability Plan into School Improvement Plan on May 24 and 26, 2021, at 9:00 AM to 4:00 PM** via the Zoom platform.
2. A link will be sent on or before the scheduled dates.
3. Attached are the letter request of PBSP and the list of schools (to be represented by its School Heads) as participants with its corresponding schedules.
4. All expenses relative to the conduct of this activity shall be charged to school MOOE subject to usual accounting and auditing rules and regulations.
5. This serves as **TRAVEL ORDER** of the participants.
6. For immediate and widest dissemination.

10 May 2021

DR. GORGONIO G. DIAZ JR, CESO V
Schools Division Superintendent
Division of Northern Samar
Department of Education
Mabini St., Brgy. Acacia, Catarman, Northern Samar

Dear **DR. DIAZ**:

Greetings from Philippine Business for Social Progress!

First of all, the Philippine Business for Social Progress (PBSP) would like to express its gratitude for your continued support to the implementation of education programs in your division.

PBSP, in partnership with the Australian Government, continues in the implementation of the **Classroom Construction Support Philippines** project in the Visayas to contribute to the increasing access of learners to education and enhance school governance and capacities of stakeholders to manage, optimize and maintain the new classrooms and facilities in identified sites in target priority public schools.

Aside from classroom construction and provision of furniture, the project also provides intervention to PTAs and stakeholders as it sees their crucial role in helping the schools improve their education conditions in the community. The creation of the Maintenance and Sustainability Plans provides the recipient schools specific workable strategies and solutions to address maintenance and sustainability issues. Thus, the program sees the need also to integrate the plan into the School Improvement Plan and Annual Implementation Plan, rather than treat it as a separate document. The integration is strategic to operationalize the implementation of the plans because it will enable them to seek the support of division and regional offices of DepEd.

In this regard, we would like to request the participation of the school planning team of the select schools in your division in the conduct of the **Workshop on the Integration of Maintenance and Sustainability Plan into School Improvement Plan on May 24 and 26, 2021, at 9:00 AM to 4:00 PM via the Zoom platform**. Please see the list of schools on the next page. The participation of the Division SIP Coordinator is also highly appreciated as they may assist the schools in the integration process and monitor the implementation of plans.

Should you have queries, you may contact me through my mobile number 0995-014-0261 or email add toledomyravitp@gmail.com or Ms. Pearl Aba, PBSP's Liaison Officer, through her mobile number 0917-863-1489 or email add mbaba@pbsp.org.ph.

Thank you very much and we hope for your support of this initiative.

Sincerely,

MYRAVIT TOLEDO
