Dear Sir/Madam;

The Philippine Statistics Authority (PSA) Northern Samar Provincial Statistical Office is currently conducting the assisted or tablet-based Step1 Registration for Philippine Identification System (PhilSys) in province targeting those areas with no internet connection and 5 years old and over under low income families. It started last 18 January of this year and was extended until 30 April, 2021

In line with the strategy to register 50 to 70 million Filipinos to the Philippine Identification System (PhilSys) in 2021, the Philippine Statistics Authority (PSA) Field Offices are instructed to conduct institutional registration (i.e. mode 3) simultaneous with the regular registration being done at PhilSys registration centers.

For this mode of registration, both Step 1 and 2 Registration will be conducted sequentially at the premises of the partner institution. The PSA Field Offices shall coordinate with various institutions, agencies, and establishments to cover uniformed personnel, medical personnel, employees of government and private establishments, and students and members of the academe, among others.

In this regard, we would like to request for you to please fill out the attached Philsys Registration Survey Form for Institutional Registration for us to determine the number of employees/personnel to be scheduled for registration in your office.

We appreciate your utmost support and cooperation for the successful conduct of this undertaking. For further clarification, please contact, Mr. Julian E. Gallano, Chief Statistical Specialist of PSA Northern Samar with Contact number 09199133209 or Ms. Mae M. Moreno, Philsys Focal Person in our hotline No. 09458320259.
