1. In response to the challenges of providing effective and engaging learning tasks for the learners, flexibility in the teaching-learning process indicates a shift from teacher responsibilities to learners taking responsibilities. This provision in the Basic Education Learning Continuity Plan (BE-LCP) manifests rich learning choices in the Self Learning Modules (SLMs) and learning materials whose activities and exercises focus on the Most Essential Learning Competencies (MELCs) for active learning. Thus, this Office, through the Curriculum Implementation Division (CID), will conduct a three (3)-day live-in **Division Live-in Training -Workshop on the Finalization of Contextualized and Enhanced Selected Modules in Araling Panlipunan (AP), and Music, Arts, Physical Education and Health (MAPEH)** on December 20-22, 2021 at a venue preferably located in Calbayog City.
2. The Activity aims to:
 - a) address specific concerns that indicate a shift from teacher responsibilities to learner responsibilities found in the identified enhanced and contextualized SLMs; and,
 - b) finalize and quality assure, contextualized and enhanced selected modules for effective and engaging tasks for the learners to take responsibility responding to this challenging time.
3. Participants to this Activity are specifically listed in Enclosure No. 1 attached to this Memorandum.
