DIVISION MEMORANDUM

No. 042, s. 2024

**REQUEST FOR ACCESS TO SCHOOL PREMISES FOR SURVEY AND
INSTALLATION OF "FREE WI-FI FOR ALL" PROJECT**

To: Assistant Schools Division Superintendent
Chief Education Supervisors
EPS/PSDSs/PICs,
Public Elementary and Secondary School Heads
All Others Concerned

1. The Department of Information and Communication Technology (DICT) is currently spearheading the implementation of the Free Wi-Fi for All - Free Public Internet Access Program, as part of the congressional development initiatives through Paul R. Daza Representative First District. This program aims to enhance internet accessibility for Filipinos, thereby facilitating economic, social, and educational opportunities and bridging the digital divide in the Philippines.

Under the provisions of Republic Act No. 10929, the Free Wi-Fi for All Program provides free, fast, and secure Internet access in basic education institutions, including those in Northern Samar.

2. In line with this initiative, we kindly request your cooperation in allowing surveyors and contractors, accompanied by Dr. Raul Corral Gacusan, Technical Consultant, to enter and conduct surveys on the school premises of the target beneficiaries. These surveys are crucial for determining the viability of the project and subsequently installing fiber optic cables and three (3) access points for the Free Wi-Fi for All Program.

The survey and installation activities are scheduled to commence this month, February 2024, and will continue until the project is successfully accomplished.

3. Immediate and wide dissemination of and compliance with this memorandum is desired.
