3. As a delegation representing Northern Samar, it is important that we imbue within ourselves the value of utmost professionalism and sportsmanship throughout the duration of the event. The EVRAA Meet is a highly anticipated event in the region, and therefore we must represent Northern Samar with pride and integrity.

4. In line with this, we remind all delegates that they are expected to abide by the rules and regulations set by the event organizers. Failure to comply with the rules may result in disqualification of a delegate or the entire delegation.

5. We also encourage all delegation members to give their best effort in every competition they will participate in. As delegates representing Northern Samar, we expect nothing but the best from each delegate. Let us strive to achieve our goals, and let us do so with grace and sportsmanship. Consequently, we wish everyone in the delegation the best of luck, and we hope that we compete for victory.

6. The participation of the Northern Samar Delegation shall be guided by the following enclosures:

Enclosure No. 3 – List of Qualified Athletes, Coaches, Assistant Coaches, and Chaperons

7. Northern Samar delegation will stay at the billeting school which is Ipil National High School, Brgy. Ipil, Ormoc City in the entire duration of the 2024 EVRAA Meet.

8. In view thereof, this Office requests that all concerned personnel and learners listed in the attached enclosures be excused from their work and/or classes on April 25, 2024 to May 11, 2024. It is understood that arrangements shall be made for the classes of those athletes, giving them special consideration in the submission of subject requirements like projects and performance tasks and giving them special examination if they failed to do so because of conflict of schedule with the concentration training and participation in the 2024 EVRAA Meet. In like manner, arrangements will also be made for the work/classes of those teacher-coaches, assistant coaches, chaperons and working committee members. The use of Alternative Delivery Modes (ADM) and/or letting the other teachers handle the subjects of those affected in their respective schools shall be employed.

9. In giving grades to pupil/student-athletes, all subject teachers are encouraged to give due consideration in all quizzes, activities and performance tasks during the absences they incurred, inclusive on the dates that they are out for trainings. These pupil/student-athletes are competing and representing their school, district, and unit; hence, they deserve the necessary academic support from the authorities by arranging make-up/remedial classes which may include modular/ Alternative Delivery Mode (ADM) to ensure they can cope with their lessons and subject area requirements.

10. All sports officials and working committee members listed in the attached enclosure must adhere to the provisions of DepEd Order No. 40, s. 2012 (DepEd Child Protection Policy). As such, all officials shall be held responsible for the protection of

student-athletes from abuse, violence, exploitation, discrimination, bullying and other forms of abuse. All officials are reminded also to take precautionary measures in order to avoid accidents before, during, and after the training/event. "CARE AND SAFETY OF ATHLETES ARE OUR TOP PRIORITY".
