The present-day Department of Education's mandate was established through Republic Act 9155, otherwise known as the Governance of Basic Education Act of 2001.

The RA substantially provides that the Department of Education (DepEd) formulates, implements, and coordinates policies, plans, programs and projects in the areas of formal and non-formal basic education. It supervises all elementary and secondary education institutions, including alternative learning systems, both public and private; and provides for the establishment and maintenance of a complete, adequate, and integrated system of basic education relevant to the goals of national development.

As a learner-centered public institution, the Department of Education continuously improves itself to better serve its stakeholders.

III. Mission

To protect and promote the right of every Filipino to quality, equitable, culturebased, and complete basic education where:

- a. Students learn in a child-friendly, gender-sensitive, safe, and motivating environment. Teachers facilitate learning and constantly nurture every learner.
- b. Administrators and staff, as stewards of the institution, ensure an enabling and supportive environment for effective learning to happen.
- c. Family, community, and other stakeholders are actively engaged and share responsibility for developing life-long learners.

IV. Service Pledge:

The Department of Education is committed to providing learners with quality basic education that is accessible, inclusive, and liberating through:

- Proactive leadership
- Shared governance
- Evidence-based policies, standards, and programs
